FRONT-RUNNER™ COC is a crop oil concentrate blend with paraffinic oil and premium quality surfactant by Advanced Yield Select Crop Inputs™.

### **DIRECTIONS FOR USE**

The addition of adjuvants to some pesticides and/or fertilizers and their tank mixes may cause phytotoxicity to the foliage and/or fruit of desirable crops. Before using FRONT-RUNNER™ COC, the applicator or crops advisor must have experience with the pesticide combination, including FRONT-RUNNER™ COC, or must have conducted a phytotoxicity test. Do not use this product in a manner inconsistent with labeling. FRONT-RUNNER™ COC increases the activity of many pesticides; therefore, care must be taken when treating sensitive crops during periods of drought stress, high temperatures or high humidity.
